

Pickleball Schedule & Information

Troup County Parks and Recreation

Pickleball

Pickleball is a fun game that is played on a badminton court with the net lowered to 34 inches at the center. It is played with a perforated plastic baseball (similar to a whiffle ball) and wood or composite paddles. It is easy for beginners to learn, but can develop into a quick, fast-paced, competitive game for experienced players.

Fee:

Daily drop-in: \$5.00

Senior (55 and up):

\$60/annual

Individual:

\$45/quarter or \$120 annual

Family (up to 4 in the same house) \$75/quarterly or \$240 annual

The Mike Daniel Recreation Center currently offers 3 options of play:

#1...

Beginner: is open to adults ages 18 and up just starting out and wanting to learn the game. focuses on newcomers and beginner level players wanting to improve their skill in a not so competitive environment.

#2....

Intermediate/Advanced: is an adult only group for players with experience and wanting to move to the next level. focuses on serious competition and furthering their more advanced skills.

#3.....

Family/Individual: Families with children wanting to experience the game, and individuals at any level .

PICKLEBALL is a sport for everyone!
